DELTA SIGMA THETA
WASHINGTON DC
ALUMNAE CHAPTER

Nicole G. Jordan

President

Washington DC Alumnae Chapter DELTA SIGMA THETA SORORITY, INC.

Greeting Sorors,

Welcome to the 2022-2023 Sorority Year. As usual, each new sorority year comes with the eagerness to serve our community as well as fellowship with sorors. This year, the excitement level is even higher as we return to something close to normalcy and transition back to in-person programs and events.

One of my favorite scriptures is 1 Corinthians 2:9, "But as it is written, Eye hath not seen, nor ear heard, neither have entered into the heart of man, the things which God hath prepared for them that love him." We are on a mission, and we are advancing to new heights during the upcoming biennium! Grounded by our legacy, we will be the strongest advocate for improving the quality of life for the residents of the District of Columbia through sisterhood, scholarship, service, and social action.

We are the best chapter in the East because of **you**. With that in mind, I encourage you to lean into this moment as we continue to seek innovative ways to provide programs and services that coincide with the Sorority's extensive array of public service initiatives through its Five-Point Program Thrust of Economic Development, Educational Development, International Awareness and Involvement, Physical and Mental Health, and Political Awareness and Involvement. This year, we hope you find a committee in which to lend your talents and engage your interests. Please visit the National (deltasigmatheta.org) and Chapter (wdcacdst.org) websites frequently to stay abreast of current initiatives and programs. I also encourage you to stay connected by reading the chapter's *Weekly Minute* and *DELTAmenities*, the regional H.E.R. SHortStories and national INFORMZ messages.

Welcome back what will certainly be an awesome sorority year. If I may be of service to you in any way, please do not hesitate to contact me.

In Service and Sisterhood,

Nicole G. Jordan
President
Washington DC Alumnae Chapter (WDCAC)
Delta Sigma Theta Sorority, Inc.

Sisters Working together, Dedicated to service, Changing lives, Advocating for the Communities we serve

HISTORY

The Washington DC Alumnae Chapter (WDCAC) was chartered on February 3, 1921 by nine inimitable college-initiated women with the purpose of promoting *Scholarship*, expanding *Sisterhood*, and providing *Service* to the District of Columbia community. Although WDCAC was the second graduate chapter to be chartered by the Grand Chapter in 1921, it was the *first* graduate National Pan-Hellenic Council (NPHC) chapter to be established in Washington, DC—initially as the Beta Beta Chapter in 1921; and then renamed the Beta Sigma Chapter in 1925 and WDCAC in 1956. The nine intrepid charter members used their education and multifarious talents, skills, fortitude, and determination to marshal the resources of their membership to implement social, cultural, and service programs during the 1920's in Washington, DC. These initial programs and projects served Freedmen's Hospital (now Howard University Hospital) and the underserved residents of the city by providing magazines, books, stamps, letter writing, and food baskets during Thanksgiving and Christmas, and offering tutorial classes in English. WDCAC had a prominent role in the arts and culture of the city through annual spring plays, Jabberwock, and the highly successful library program, which afforded access to the literary world for many who previously lacked access.

*** Founders of Delta Sigma Theta Sorority, Inc.*

Fully supporting the legacy of our Charter Members through the Chapter's programs and projects and our Sorority's Five-Point Programmatic Thrust: Economic Development, Educational Development, International Awareness and Involvement, Physical and Mental Health, and Political Awareness, we are Sisters **Working** together, **Dedicated** to service, **Changing** lives, **Advocating** for the **Community** we serve. We are committed to uplifting, reaching, and profoundly making a difference to honor our charter members and leave an indelible imprint upon the Chapter's 100-plus-year history.

Washington DC Alumnae also has had the distinct honor of having *five* National Presidents as chapter members.

G. Dorothy Pelham Beckley, 2nd National President (1923-1926)
Anna Johnson Julian, 4th National President (1929-1931)
H. Elsie Austin, 8th National President (1939-1944)
Dorothy Irene Height, 10th National President (1947-1956)
Gwendolyn E. Boyd, 22nd National President (2000-2004)

Since 1921, the Washington DC Alumnae Chapter has consistently utilized the talents, skills, training, and other resources of its entire membership to implement social, cultural, and service programs that sparked Delta's founding. It has executed local and national projects which reflect community and national life. The chapter has provided in excess of \$1,000,000 in scholarships to high school seniors and those continuing to matriculate in colleges and universities. Voter education and registration, networking on significant issues, and advocating for the underserved are just some of the contributions the chapter continues to make. The Delta Housing Corporation of the District of Columbia (DHCDC), a non-profit, tax-exempt corporation was organized in 1975 and incorporated on December 15, 1977 by members of WDCAC. In 1979, WDCAC made history when they, along with DHCDC and local housing and community leaders, spearheaded the construction of *Delta Towers*, a 150-unit affordable housing facility for seniors located on the H Street corridor. In 1985, the chapter also established the Washington, D.C. Alumnae Foundation, Delta Sigma Theta, Inc., now known as the Washington, D.C. Alumnae Foundation (WDCAF). The WDCAF is a philanthropic advocate supporting community programs and projects for youth, the elderly, and families in the District of Columbia. In January 2019, WDCAC continued its legacy of service by making a charitable contribution just shy of \$1M to the DHCDC to develop and operate a community enrichment center.
